**2018**

**November**

Dear AMUMC Family,

In a sense, I am always writing, although it is mostly in my head. It is the birthplace of everything that goes on paper or the computer screen. Many sermons are born there, and likewise, newsletter articles. The November newsletter article came into being in this way.

Last Sunday morning, as I entered the church, the familiar annual fragrance of candy-making filled the air. The sensory experience caused me to halt. The fragrance created visions of stained-glass candy dancing in my head. I could imagine the laughter around the friends gathered on Saturday morning to take part in this annual ritual. I could envision the hot candy mixture being poured onto the marble slabs. I could see them cooling before cutting, and then, the pizza cutters rolling through the cooled candy. All of this was done in love and in fellowship which is symbolic of what AMUMC shares with the community at our Holiday Fair.

This was followed by our picnic providers on Sunday morning as kale was being sautéed, and American chop suey warmed in the oven. Sandwiches were being made; lunches and dinners were being packed. Then for many, it was off to the park to provide food for over 70 people. This was done in love and fellowship which is symbolic of what AMUMC share with community.

This coming Saturday our baking buddies will be creating a new sensation for the Sunday morning entrance. I look forward to entering the church to the fragrance of baked apple pies. This will be done in love and fellowship, a sharing within that community and the larger community.

Love and fellowship . . . is that not what Jesus taught us to be and do? At AMUMC, there are many hearts and hands that reach out day after day, and week after week, throughout the year.

As I write this, I am also mindful of Cindy Mauch's wonderful sermon last week. In it she highlighted how love is a verb, an action word, and she gave many examples of how we witness/experience this, and can be this in the world.

"Go and do likewise" (Luke 10:37).

**In Christ's Love,  
Pastor Lynn!**

# PASTOR LYNN TO RETIRE ON JULY 1, 2019

*In making the decision to retire, I carefully examined two avenues. One was personal and the other professional/missional.*

*My personal reason is that our daughter and her husband are expecting their second child. In fact, he is scheduled to arrive in this world on Monday, November 12. Their firstborn son has been diagnosed as being on the autism spectrum. He does in fact have many special needs. Several months ago she asked if I would consider retiring so I could be more available to help her should their need arise.*

*After attending Ripple Effect 2.0 and participating in our off-site retreat, I began to have questions about what the best possible pastor of AMUMC would look like. Professionally and missionally speaking, I began to see that I am no longer that person. I see a younger pastor coming to lead you with younger ideas about how things can get done. AMUMC is a church with good Christ-centered energy. I believe that God is always making all things new. So I invite you to imagine the new place AMUMC can go through the creativity of another person and another voice.*

*I am grateful for my nine years as your pastor. I have loved you and have been loved by you. There is no greater gift. You will always have a special place in my heart and in my spirit.*

***In Christ's Love,  
Pastor Lynn!***

## TAKE TIME WHEN YOU PRAY TO REMEMBER OUR PASTOR

October has been Pastor Appreciation Month within the United Methodist Church. We have completed October, but there is still time to acknowledge the absolute contributions which our Pastor brings to Arnold Mills Church on a daily basis. One of the best ways to support our Pastor is through our daily prayers. How should we pray when we pray for our Pastor? I think it starts with recognition of the many roles which she is expected to perform each week. The Pastor has responsibilities to preach, to teach, to visit, to counsel, to lead, to consult, to communicate, to budget her time and resources, to administer, to encourage, and so much more.

**You can show your appreciation through your daily prayers.** Sometimes these may be prayers of thanksgiving and sometimes they will be prayers for wisdom, growth, and support. A recent publication of the Conference listed 15 different areas for which we might pray for our Pastor. This would unquestionably make for a long prayer! However, consider:

- ◆ Wise time management – John Wesley wrote: Don't trifle away time.
- ◆ The health and well-being of the Pastor and her family.
- ◆ The physical and mental strength to face the numerous responsibilities each day.
- ◆ The ability to "connect" when visiting with those who are sick or in pain.
- ◆ The confidence to set an example and lead the congregation.
- ◆ The skill to communicate, to make wise decisions, and to arbitrate when conflict arises.
- ◆ Sharing the vision of how we may grow, expand, and deepen our LOVE.
- ◆ Good health and positive vibes to deliver encouragement to those whom she engages.

It's OK to also express your appreciation for Lynn's work and commitment directly. However, we all believe in the power of prayer and keeping her focus and responsibilities as part of your daily prayers can make a difference. .... And that is what each of us is dedicated to do!

**Keith Johnson, Church Council Chair.**

# DATES TO REMEMBER

## All Saints Sunday ~ November 4th

It has been our tradition to use Sunday as a "Christian Memorial Day." The names of members, friends and others who have touched the church family who returned home to the Lord since All Saints' Sunday last year (November 5, 2017) are printed in a special insert in our bulletin and a candle will be lit as their names are read.

## Turn your clocks back

before going to bed on **Saturday, November 3rd.** Daylight Savings Time ends. **Sunday, November 4th!**

## Advent Wreath Lighting

**DEADLINE NOV. 27TH**

If your family, or small group (such as the choir) would like to light the Advent Wreath on one of the Sundays of Advent or on Christmas Eve, please register on the sign-up sheet in the coat room or email: [office.amumc@gmail.com](mailto:office.amumc@gmail.com). There are limited dates available: Dec. 2nd, 9th, 16th, 23rd, and 24th.

## Christ the King Sunday

On November 25, we will be celebrating Christ the King Sunday. Christ the King Sunday invites us to more fully grasp the Advent promise of the One who will be coming to reign over all humankind. The one who calls us to "seek peace and pursue it" (1 Peter 3:11).

You are invited to begin thinking about this transition in the church calendar on this particular Sunday. Advent begins on December 3. As you meditate on this concept, think about how the living Christ has entered and changed your life.

*To place order: Cut along dotted line, complete for on other side, submit with payment.*

## THE LEGEND OF THE POINSETTIA

It was a custom in many villages to honor the Christ child by bringing gifts for him to the church as a part of the Christmas festivities. One year, as little Pepita and her family were preparing to go to the festivities, she was so sad because she didn't have a nice gift to take for the baby Jesus. As they were walking to the church, she told her cousin Pedro about how ashamed and sad she was not to have a gift. Pedro told her to give a humble gift just to show that she did care and that it was given in love.

Not knowing anything else to do, Pepita picked some of the weeds that were growing along the roadside. Pepita had wanted to give a special gift and these weeds were certainly nothing special. As she looked at them, she began to cry, the tears spilling over the tops of the weeds. As the tears touched the leaves, Pepita and Pedro noticed a miracle happening. The plain old green leaves suddenly became a brilliant red wherever her tears had fallen.

As she placed her gift beside the figure of the baby Jesus at the altar, everyone marveled at the glorious flowers. After the festivities were over, Pepita and Pedro were walking back home and noticed that all the other weeds like she had picked now were covered with the beautiful red flowers.

*"Hope" by Joel Raney*

**December 15<sup>th</sup> 10:30AM**

Anyone interested in performing with the choir will have to sign up by next Thursday's rehearsal (Nov. 8th, 7pm) if they want to sing in the cantata. It is a lot of music and people usually wouldn't be able to learn their parts if they sign up last minute.
